

Join us for a wild and wacky adventure on the island of Hawaii this July. This year we will follow the adventures of the world renowned Dr. Dude, as he tracks down the elusive Ike maka'ole Chameleon, which would be easy if it weren't for his arch nemesis, Professor Pilikia, who will do anything to stop The Dude from making his greatest discovery ever.

Don't miss the fun and adventure - Register today - space is limited.

All Children ages 4-12 are welcome.
