

Welcome to our Worship Service, Sunday, Mar. 30, 2025

We live in a world that wants instant results yet quite often God tells us that what we should be doing is wait for the Lord. Whether we are facing great adversity, feeling anxious and seeking after God or eagerly anticipating His promises, the answer is the same: wait for the Lord.

While it can sometimes feel like the waiting is 'doing nothing' it is the opportunity to focus on what truly matters just as David did,

One thing have I asked of the LORD, that will I seek after: that I may dwell in the house of the LORD all the days of my life, to gaze upon the beauty of the LORD and to inquire in His temple. (Psalm 27:4)

This morning, Pastor Greg will share a message from Psalm 27 and the importance of waiting on the Lord; to have a faith that is unmoved despite difficult circumstances and to trust in the Lord's perfect Will and timing.

Today's Scripture Reading: Psalm 27:1-14

This month we're highlighting Rommel's ministry in Nicaragua. Please continue to pray for ministry as they minister to people suffering addictions. Rommel and his family plan to come to Canada this July and will be staying for six months. The Missions committee is asking the congregation to help us:

1) Cover the cost to purchase 3 round trip tickets for the family.

2) Accommodation: The family will need a place to stay. If you have or perhaps know someone willing to gift an apartment (i.e. basement unit) or know of reasonable accommodations, please let us know.

3) Transportation: If you have or know someone with an extra vehicle available to lend to family during their stay in Canada, let us know.

The Missions Committee will be providing more information this month.

The Gathering Place is still on break until the end of renovations.

Welcome to our Worship Service, Sunday, Mar. 30, 2025

Praise God for His blessings and guidance.

This morning, as we draw close to the Easter season, and as we move to the end of a huge endeavour in our local church - the end of our renovation, Pastor Dan will share a message about plans; God's plans and our plans.

When Jesus was in Galilee, and He began His journey to the cross, the Disciples had their own plans, so did the people, and as well the leaders of the temple, but none of those plans were of God. Today, as we make a new plan with all the blessing God has given to us, let's be sure that our plan is God's plan, and that our "finish line" is God's "finish line".

I glorified You on earth, having accomplished the work that You gave Me to do. And now, Father, glorify Me in Your own presence with the glory that I had with You before the world existed. John 17:4-5
